

# Sycamore Ridge Shorthorn Dispersion Sale

“Louada White Prince” — Sells

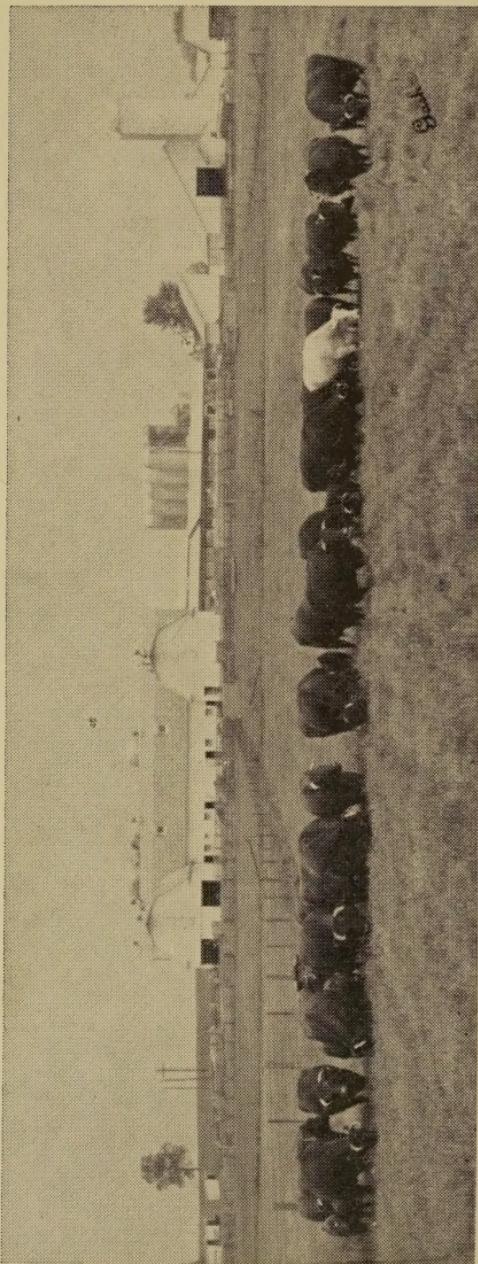

**Saturday, September 4, 1971**

1 P.M.

**Irvin Schilling Farm**

3 Miles North on No. 105

ANDREWS, INDIANA

The great production tested cow herd at Michigan State University. This herd was one of the most completely tested and analyzed of any in the Shorthorn breed. Nearly all our present herd are direct descendants.

## Our Herd Is Classified a High AA

### SELLING

- 6 BULLS (Including Three Herd Bulls)
- 25 BRED FEMALES (Many With Calves At Side)
- 12 OPEN HEIFERS
- 8 HEIFER CALVES
- 15 STEER CALVES

AT IRVIN SCHILLING FARM—ANDREWS, INDIANA  
3 Miles North of Andrews, Indiana On State Road 105 Or 3 Miles South of Bippus, Indiana  
Telephone Bippus 344-2740

Auctioneers—JOE GOSSARD, Box 114, Frankfort, Indiana  
KEN TORR, PRAIRIE FARMER, R. R. 4, Greencastle, Indiana  
JOE NESS, Huntingdon, Indiana

## GENERAL INFORMATION

### **GUARANTEE**

The guarantee endorsed by the American Shorthorn Association will cover the cattle sold.

### **HEALTH**

All animals are sold with health certificates to comply with the laws regulating Tuberculosis and Bang's Disease.

### **TERMS**

The terms of the sale are cash unless arrangements are made in advance. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

### **REGISTRATION**

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry furnished for each unborn calf sold in dam.

### **NO LIABILITY**

The owner will not be responsible for any accidents that may occur, but every effort will be made to provide for the safety and comfort of guests.

### **MAIL BIDS**

Mail bids may be sent to any of the Auctioneers.

## SYCAMORE RIDGE SHORTHORN DISPERSION SALE

### WELCOME TO SYCAMORE RIDGE

Shorthorn cattle have been on our farms since 1918 when the owner was a member of the first beef calf club in Huntington County. During this time we have used our experience, using the best bulls and females we could produce or buy and keeping our eye always on that goal. We feel that the sires we have in service today and the females are the best we've ever had. We have learned many thing about the science of animal breeding. It has taken hard work, money, time and courage.

Sycamore Ridge is an exclusive Shorthorn cattle operation. You will find them in ordinary and practical condition. No attempt has been made to highly fit or put on extra pounds by feeding large amounts of grain to the breeding herd. This has always been a grass and forage farm with only enough corn produced to fill our silos.

We have enjoyed our part in the Shorthorn cattle business. It has been our way of life. It has furnished us our livelihood and helped educate our children. We have enjoyed the people we have known over the years—folks who share our belief in good cattle. We are grateful for the demand we have enjoyed for our cattle. We can only hope that these animals will go into strong hands to establish new herds or strengthen those of fellow breeders.

IRVIN SCHILLING AND FAMILY.

### Letter From Dr. Ritchie

July 29, 1971.

Mr. Irvin E. Schilling  
R. R. 2  
Andrews, Indiana 46702

Dear Irvin:

I was sorry to read the announcement of your dispersal on September 4. However, your loss will be the buyer's gain.

We at Michigan State feel a close kinship to your herd because, of course, the bulk of your cattle carry the blood of our Shorthorn herd. Due to your patience, persistence and study, you were successful in purchasing the best bloodlines we had. You were the first to ever secure a Secret Cynthia. This was a valuable line of females from which we had never sold a heifer until you came along. The old MSU Dorothy 2nd cow was another foundation female that you built on; she was a real stock bull producing kind of cow. The same was true for MSU Rothes Queen and MSU Lavender 29th. They were foundation cattle in anyone's herd. They are the kind that "get the job done" and pay the bills. MSU Spartan Diadem 8th, your senior herd sire, was a great one from the moment he hit the ground.

I am looking forward to attending your sale and wish you the best of success. I know these cattle will do well for their new owners.

Sincerely,  
HARLAN D. RITCHIE  
Professor

**CALROSSIE DIADEM**

**LOUADA WHITE PRINCE**—When I first saw this bull as a six month old calf in October 1965 I thought he was one of the best bull prospects at Louada Manor Farms. We were in need of a white bull and

## SYCAMORE RIDGE SHORTHORN DISPERSION SALE

attended the 1966 Louada sale where many top cattlemen agreed he was one of the very top bulls in the sale. Three Shorthorn breeders from Michigan moved him out of my price range, however, the McLaughlans agreed when he had served his time at Lakeside I would have an opportunity to buy an interest. Presently we have possession and 2/3 interest. The top selling and winning Shorthorns in Michigan during the last two years have been his offspring. We have calves on the farm by this sire and nearly all of the females of breeding age are settled to his service. He is very active and has been with the herd on pasture all season. No attempt has been made to fit this sire as we were anxious to settle as many females as possible to his service. We recommend him highly — he is active and should have use in a top herd.

**A group of cows at Michigan State with their Calrossie Diadem calves.**

The white cow on the left is MSU Dorothy 2nd. The calf directly in front is a full brother to Lot 3 bull. She was the top selling animal in the 1967 Michigan State sale where we purchased her to add to our herd. The second cow to left is MSU Lavender 17th. She is the dam of our senior herd sire MSU Spartan Diadem 8th and Lot 20 MSU Lavender 29th.

MSU SPARTAN DIADEM 8TH—I visited Bilmar Farm shortly after Calrossie Diadem arrived from Scotland. He weighed well over a ton and was one of the best quartered bulls I had ever seen. He had a wonderful disposition and moved like a young bull. He looked good from every angle and I decided to acquire a son at my first opportunity. Some of the best brood cows of the breed were at Michigan State and when I saw MSU Spartan Diadem 8th at four months old I took an option on him with the privilege of buying at one year old. He weighed nearly 1000 pounds at 12 months and many good cattlemen consider him one of Calrossie Diadem's best sons. He is sound, good disposition and many of his offspring will be in the sale.

S R DIADEM 18TH—Could easily be one of the best sons of Calrossie Diadem available today. His dam MSU Dorothy 2nd has the best performance record of any Shorthorn cow in the MSU herd. Bilmar Farms owned a full sister and her sons by Diadem were in their show herd and top sellers. This bull weighed 960 pounds at one year and we have some of his calves on the farm. His breeding and individuality qualify him for a top herd.

	Roan, Mathers Bros.

**MSU ROTHES QUEEN**—A top daughter of Tuscarora Keynote and from one of the very best cow families. The 2nd dam was imported by Les Mathers and was the top selling female at \$5,000.00 in their record breaking Shorthorn sale of 1952, also the grandsire Leveldale Custodian sold in this sale at \$19,000. Her first calf by Calrossie Diadem sells as Lot 24 and she has a top bull calf at side sired by Calrossie Diadem calved May 1.

LOT 40 TO 49 were purchased in May from the Ellis Shafer Lanedale Polled Shorthorn herd. This herd has long been known as one of the best sources of top cattle in Indiana. Only top sires of known performance have been used in this herd and any good cattleman visiting will easily recognize that this is a good solid herd of Polled Shorthorns. We were able to select 10 daughters of Rothbury Royal Crusader from a group of 20 and feel fortunate that the owner was willing to sell this uniform well bred set of heifers. Some have been mated to Louada White Prince and breeding dates will be announced on sale date. Any good cattleman could do well by owning some of these good yearling females.

LOT 50 & 51—Many of our club calf buyers were anxious to buy cross-bred calves so we added several good Hereford and Angus cows to our cattle herd. The Hereford females were purchased from the Russell Boggs herd in Marshall County where they had been consigning the top Hereford calves to the Northern Indiana Hereford sale. These two young cows were my choice of his 1967 females. They have their 2nd calves at side sired by Lot 3 bull and are rebred to Louada White Prince. These are nice disposition cows and we recommend them highly.
